

**CARDEN HALL  
AFTER SCHOOL SPORTS PROGRAM ELIGIBILITY  
2019**

Carden Hall's after school sports teams have been very successful in the past, and we have been wonderfully pleased with the caliber of sportsmanship and play. Some questions have been raised about the relationship/connection between academic performance and the eligibility to play.

We shall be checking each player's academic performance, Mandatory Study Hall status, and P.E. sportsmanship every Monday morning. Any player whose current trimester average is below 75% in any subject or who has had two low test scores in a row (below 75%) will be ineligible to play (at home or away) that week. Two consecutive test scores of 80% or better will make a student re-eligible, even if the overall average remains lower than 75%.

All players need to be current with their Mandatory Study Hall obligations. By 8:00 each Monday morning, any player with an unserved Mandatory Study Hall will need to have returned the green commitment form and to have committed to serve that same week in order to be eligible to play.

Away games often necessitate an early departure from school. Therefore, sixth graders are required to maintain an 80% average or have special teacher permission to attend away games.

Misbehavior in P.E. and/or around campus are other reasons for ineligibility. We consider our athletes to be leaders and expect them to act accordingly.

## AWAY GAMES

All of the above standards apply.

Students in the program will be transported to and from the game sites in parents' cars. We shall need your help to drive participants to the away games. Thank you in advance for helping with this. The car pools must depart from the late zone at 2:25 p.m. sharp! Drivers are to enter the lot and turn around before loading team players. Car pool drivers are expected to return their car pools to Carden Hall after the game. Any special transportation arrangements must be requested through a parental note 24 hours prior to a game.

## PICK-UP TIMES

The pick-up time for home games is 4:30 p.m. sharp. The pick-up time for away games is between 5:15 and 5:30 p.m. at Carden Hall. If students are not picked up on time, they will be checked into Extended Care, and you will be charged accordingly.

## GAME SCHEDULES

A game schedule will be given to the participating students at the beginning of each new sport season. Spectators are **welcome** and **appreciated** at all games. ***Please be aware that if you bring younger children to our home games, you need to keep them with you while you watch the games or check them into Extended Care, for which you will be charged.***
